Hairstyle, makeup, jewelry and clothing stand the test of time and photograph best if kept modest. We recommend a natural application of any makeup, classic and simple earrings or necklaces.

Flowers/Sporting equipment or any special items that represent your time spent at school. (pets are not allowed and no group photos)

### PORTRAIT SESSION

We want you to be relaxed, comfortable and have time to make any adjustments. Please arrive 10 minutes before your portrait session. The photographer will collect your \$25 sitting fee at that time. A secure password to view your photos online will be provided for you.

The sitting fee will include 8 poses, online ordering, plus a Graduation Composite at the end of the year.
