## GRADUATION PHOTOS

WHAT TO EXPECT AND HOW TO PREPARE

**Monday, April 25<sup>th</sup>**

**This is your last chance to have your Graduation Photos taken.**

**Book online at:  
[photovisions.ca/naec](http://photovisions.ca/naec)**

**Congratulations on reaching this amazing academic milestone!**

**We want to provide you with a few tips that will assist you and our photographers to capture and create beautiful timeless portraits.**

### **GETTING READY**

Hairstyle, makeup, jewelry and clothing stand the test of time and photograph best if kept modest. We recommend a natural application of any makeup, classic and simple earrings or necklaces, and a hairstyle to allow a grad cap (if desired).

Fingernails should be trimmed and/or freshly polished. White collared shirts or blouses are recommended. Neckties with a solid or simple pattern are best.

### **PORTRAIT SESSION**

We want you to be relaxed, comfortable and have time to make any adjustments. Please arrive 10 minutes before your portrait session. The photographer will collect your \$30 sitting fee at that time (cash, debit and credit accepted). A secure password to view your photos online will be provided for you. The sitting fee will include 8 poses, online ordering, plus a Graduation Composite at the end of the year.

Plus: Save 10% from any PACKAGE ordered within two weeks of photography.

### **AFTERWARDS**

Images will be available to view 3-4 business days (Monday-Friday) following your photo session.

Now you have the fun of deciding which photos you would like in which packages!
